You were shinin' like a sunbeam when you caught my eye.

My heart trippin' and a tumblin' every time you'd smile.

I could tell you were the answer to my prayer. I'm so glad you met me there.

G A D G/D A/D G A D
You were my kind of girl, the only one in the world.

G A D Bm G A D G A D

Every word of it was true when I said, "I do." My kind of girl.

Same Chords Throughout

Time rolls by just like a river,

Winding to the sea.

Love flows always and forever;

May it ever be.

After all these years I hope you understand.

I'm still glad you took my hand.

You are my kind of girl,

The only one in the world.

Wrapped around me like a ring, I wouldn't change a thing,

My kind of girl.

Fine wine ages for the better

With each year that's past.

Let's grow old and grey together,

We can make it last.

I will cherish you until death do us part.

Take my word just like my heart.

You are my kind of girl,

The only one in the world.

You're the apple of my eye 'til the day I die,

My kind of girl.

You are my kind of girl,

The only one in the world.

Every word of it was true when I said, "I do."

My kind of girl.
