A2 D2/A A2 D2/A
Another day and night alone This broken house is not my home I'm in danger in this place
A2 D2/A A2 D2/A
Four years I've learned to understand, I tremble when you raise your hand; There is hatred in your face
Bm7sus Fm7sus
I love you, but I'd leave you If I knew just where to go;
G2 D2 D D2 D
But I am far too small to ever try And make it on my own

A2 AM9 A7 D2 D
I need to hide away and find a little love; I need to find a safe new shelter from this unrelenting storm
A2 F#m7sus G2 D
I am frightened and confused, I am torn and I'm abused, And I just need someone to take me in their arms
A2
So take me in your arms

A2 D2/A A2 D2/A
There's Someone watching over you Who knows just what you're going through: There are angels in this place
A2 D2/A A2 D2/A
And every time you start to cry, Another tear forms in His eye: There is sorrow in His face
Bm7sus Fm7sus
Now don't you start to worry Because Heaven is so far
G2 D2 D D2 D
He has many friends on earth Who serve to be His open arms

A2 AM9 A7 D2 D
And He says, Come and hide yourself within My love I will be your shelter, I will calm the raging storm
A2 F#m7sus G2 D
I was treated badly, too So now I'm close enough to you And I will be the One to take you in My arms.
A2
I'll take you in my arms
F#m7sus G2 A2 F#m7sus G2 A2
So just lay your little head upon my shoulder, And wrap your arms so tight around my neck
Bm7sus A/C# D D E7/D A2 D D2 D D2
And soak my shirt with tears, we'll cry together. Let it out, Let Him in, and you can start to breathe again

A2 AM9 A7 D2 D
When I say, Come and hide yourself within my love; I will be your father, I will take you in my home
A2 F#m7sus G2 D
You don't have to be afraid, I will keep each promise made, And I will be the one to take you in my arms
A2 AM9 A7 D D2
You're safe within these arms Safe within these arms
A2 AM9 A7 D D2 D D2 D D2
You're safe within these arms
