D2 Em7 D2/F# A7sus A7
Living life can be hard today, I have to say it's so,
D2 Em7 D2/F# A7sus A7
But I have learned if I stop and pray I get the grace to go.
Bm Bm/A E/G# E7 G A7sus D2
And I have found by slowing down I have more time to live the simple life

Am7 G D2 Am7 G D2
The simple life. All free from strife.
Am7 G Em7 D/F# A7sus A7 D Em7 D/F# G A7sus A7 D Em7 D/F# G A7sus A7
So glad that I have found the simple life.

Same chords throughout

Living life in the passing lane, it's near insane to me;
'Cause soon your life will be washed away
By the pouring rain to the sea.
But I have found by slowing down
I have more time to live the simple life

The simple life. All free from strife.
So glad that I have found the simple life.

The simple life is the way to go though the pace is slow for some,
But I'll have peace in my heart to show
when the race of life is done.
For I have found by slowing down
I have more time to live the simple life

The simple life. All free from strife.
So glad that I have found the simple life.
